

FOR CENTURIES, MANKIND HAS BEEN ACTING SILLY OVER WHICH CAME FIRST:
THE CHICKEN OR THE EGG?

THE TIME HAS COME TO CONCLUDE.
FOR ONCE AND FOR ALL.

FIRST CAME A RUBBLE FOUNDATION, OVER WHICH WE BUILT WALLS
MADE OF RAMMED EARTH AND ADOBE

ON WHICH WE CREATED A
FORMWORK FOR THINGS
TO COME, USING
INGREDIENTS SIMPLE
AND NIFTY:

- A HOSEPIPE
- SOME SAND
- A FEW SPARE ADOBES
- LOVELY POPLAR BEAMS

AND SOME MUD TO RULE
THEM ALL AND IN THE
LIGHTNESS BIND THEM..

THEN CAME CARDBOARD. LOTS & LOTS OF IT!
WE GAVE IT A BLANKET OF JUTE FOR THAT EXTRA SNUG FEELING..

JUST IN CASE YOU WONDERED, THIS IS WHAT EXTRA SNUG CARDBOARD LOOKS LIKE. WE'RE NOW READY FOR SOME PLAY WITH STRAWCLAY!

SO ROLL IN THE WAR MACHINES..
A REGULAR CEMENT MIXER IN THIS CASE (FOR PEACEFUL PURPOSES)

GET THE MIXER TO GARGLE ITS MOUTH WITH SOME WATER AND SOME CLAYEY MUD.

(ON THE LEFT IS A GROSS IMAGE OF WHAT THE MIXER'S MOUTH LOOKS LIKE WHEN S/HE'S GARGLING)

GRAB ALL THE DRY WOODY BIOMASS THAT YOU CAN FIND. LEAF LITTER, STRAW, CATTLE FEED, SAWDUST, WOOD SHAVINGS (EVEN HUMAN SHAVINGS WILL WORK) AND OTHER INCREDIBLY RANDOM STUFF!

NOW ALLOW THE MIXER TO
REGURGITATE THE WELL
MIXED CONTENTS FROM
ITS MOUTH ONTO THE
PILE OF WOODY
RANDOMNESS!

REMEMBER TO STIR
IT GENTLY BEFORE
YOU SERVE..

AND WHAT A SERVE IT IS!! SMACK ON THE FACE!!

PHEW.. MUDFIGHTS CAN GET EXHAUSTING. BUT THEY SURE ARE REWARDING, WE JUST GOT OURSELVES A VAULTED ROOF!

NOW FOR SOME CONTEXT SPECIFIC ARTWORK. NOTE THE PRECISE CHICKEN LIFE CYCLE AND ALIEN - CHICKEN GATEKEEPERS..

A FEW BRUSHSTROKES WITH POSTER COLOURS, AND THERE WE HAVE IT!
THE ANSWER TO HUMANITY'S PREDICAMENT!

WHICH CAME FIRST: THE CHICKEN OR THE EGG?

NEITHER,
THE CHICKEN COOP DID.
HAH.

SINCERE APOLOGIES,
